## NTE11L

### BreakFree® Power Tube Expander PATENT PENDING

Get the job done quickly with the NTE11L BreakFree® Power Tube Expander. Expand a tube in 12 seconds by pressing one button. The long-lasting rechargeable lithium battery allows up to 200 expansions on a single charge. Battery and charger are compatible with NAVAC NEF6LM BreakFree® Power Flaring Tool. Expander heads from the NTE11H Hydraulic Expander can be shared with NTE11L with a NAQA1 adapter.

Leading Technology, Superior Quality, Best Experience.  
**Empowering You to Work Smarter**

**NAVAC**  
1. For use with soft or annealed copper only.  
2. Flaring should be reamed and deburred before expanding.  
3. Operation may be stopped at any point by pressing the action button during cycle.  
4. Reset the tool at any point by pressing the reset button forward.
